On December 3rd. 1902 the above named committee submitted their report to the executive committee and on investigation of the matter, the executive committee saw no reason why the church should not be received into the Conference, and decided to do so.

REPORT OF COMMITTEE ON SUNDAY SCHOOLS.

We, your Committee on Sunday schools, submit the following:

To define the Sunday school, we believe it should be the whole church, with all it can reach, systematically engaged in studying the Bible, and since the Church is dependent upon the Sunday school for future church workers, there is an imperative demand for a thorough, systematic study of the Bible. In order that this need may be more effectually met, we recommend:

1. That each school maintain a "Normal Bible and Training" class. We suggest the Legion of Honor Course, by Prof. H. M. Hammill, as the most practical.

2. That the Conference elect a Secretary of Normal Training, who shall have charge of this work.

3. That our school use our own literature in preference to any other.

4. That especially the superintendents and teachers use Arnold's or Peloubet's Notes in the study of the lesson.

5. That the lesson be illustrated by the use of maps, charts and black-boards.

6. That the Sunday School Beacon, published at Raleigh, N. C., be patronized, it being an organ which endeavors to promote a more thorough organization of Sunday school work.

7. That all schools continue throughout the year.

8. That we exhibit a more loyal spirit towards our Sunday school Convention.

EDWARD FRENCH.
CHAS. A. HINES.
Committee.

Edward J. French was elected Secretary of Normal Training as provided for in the report.

REPORT OF COMMITTEE ON RELIGIOUS LITERATURE.
As Adopted:

Second only to the gospel ministry in its influence for inculcating high moral ideals, and advancing the kingdom of God and deepening the spiritual life is wholesome, religious literature. Into every home should such literature go. It enlightens and informs youth, develops and strengthens manhood, womanhood, comforts and sustains old age. More to be pitied than blamed is that household that has no regard for religious books and periodicals. Such a household sustains a lack so deplorable that it may be truly said of its members "they have eyes but see not, ears have they but hear not."

The Bible should have and hold first place. The Word of God should be in every home, read daily in every household, cherished as no other book by every one.

Next to this every family represented in a church should subscribe to and read its own church paper. This is a necessity if they would know their own church and be alive to its interests and enterprises.

We recommend:

1. Daily reading of the Word of God in all our homes. This is our rule of faith and practice. We should seek to be acquainted with all its precepts and principles.

2. That pastors and delegates urge every family in our church to subscribe for and read The Christian Sun. This is the organ, the public mouthpiece of our church. We cannot know what the church is doing, what its progress, what its prospects, what its purposes, without the Christian Sun. It is only $1.50 the year, which is the

lowest price now at which denominational and church papers are published.

3. We recommend the book depository ordered established by the Southern Christian Convention and conducted by the Christian Sun. In the depository at Elon College, N. C., will be found the books published by our church and also Testaments and Bibles sold at as low price as can be found anywhere.

4. We urge our people to take The Christian Missionary, and The Herald of Gospel Liberty, our general organ, both published at Dayton, Ohio.

J. O. ATKINSON,
W. T. WALTERS,
A. F. ISELEY.
Committee.

The following were elected to the Southern Christian Convention to meet next May:

Alternates: Revs. A. F. Iseley, P. T. Klapp, T. W. Strowd, W.T. Herndon, A. P. Barbee.

The Annual Sermon was then delivered by Rev. A. P. Barbee.

AFTERNOON SESSION.

Conference called to order. Concord Church, Caswell Co., was selected as the place for holding the next session of Conference.

REPORT OF COMMITTEE ON HOME MISSIONS.

Our work at Greensboro has been under the charge of Rev. L. F. Johnson for all of his time the past year and the work has gone forward satisfactorily. The church building will soon be completed and when seated will be one of the handsomest churches in the south. There has been some indebtedness contracted which we think this conference should help to meet.

Rev. L. F. Johnson will have charge of this work the ensuing year under more favorable conditions.

We recommend the appropriation of all our available church extension fund to this point to be paid upon call of the building committee.

We recommend the payment quarterly of all available Home Mission Funds for the support of Rev. L. F. Johnson at Greensboro upon the conditions that the church shall raise an equal amount and pay over to the building fund of the church, the pastor to report quarterly to chairman of this committee.

We recommend that conference endeavor to raise at once $250

to be applied on the indebtedness of Greensboro church. No other point has asked for assistance at the hands of your committee.

Reidsville, N. C. solicits work by us with promise of encouragement. We commend this point to any of our ministers who may be able to take it up.

We append herewith a financial statement of our Greensboro work.

RESOLUTIONS.

Realizing the need of a large Church Extension fund in the state of North Carolina to build churches in unoccupied territory within the bounds of the North Carolina Conferences, we recommend the following:

1. That a Loan Association be organized and that it be known as the Christian Church Loan Association of North Carolina.

2. That said association be incorporated under the laws of

West Virginia or any other state best suited to the economy of the purpose.

3. That a Board of Trustees be appointed, one layman from each of the conferences, which Board shall have entire control of said fund and who shall be managers of the Association.

4. That one dollar constitute a membership in said association and that any person, church, society, Sunday school, conference,convention, institution or corporation be allowed to take as many memberships as may be desired, payable annually on the first day of Februrary.

5. That all amounts loaned by the Board of Trustees bear four per cent interest and that no single loan for one point be made for less than $500.00.

6. That no loan be made except to an organized Christian Church which will raise as much in money and property as they ask of the Board.

REPORT OF COMMITTEE ON EDUCATION.

As Adopted;

Rev. W. T. Walters, licentiate, graduated at Elon College last June. He served two churches acceptably the past year. We recommend that Brother Walters be given examination looking to ordination as early as he may request and as may suit convenience of this committee, after the school which he is now teaching, closes and upon satisfactory examination the committee so report to the executive committee who shall then order his ordination at such time and place as executive committee may direct.

We recommend a loan of $40.00 to Brother Edward French licentiate, this on condition that he remain in college throughout the present scholastic year.

The Treasurer of conference be instructed to collect all notes for loans as they come due or have same renewed.

That hereafter all notes for loans to assist in getting education bear six per cent interest after three years from date of leaving school.

The Secretary of this committee is directed to correspond with T. J. Hayes, W. L. Wells, Thaddeus Iseley and F. A. Johnson, members of the Biblical class, as to why they have not reported this year and how they are progressing.

Brother J. M. Knight appeared before the committee asking that he be licensed to preach, but being unable at present to meet the requirements of our government we cannot recommend his licensure.

Brother D. J. Kelly came before us and upon proper and due examination we recommend that he be admitted to the Biblical class and advise that he continue his studies and enter school at an early date.

We recommend that the license of brother J. W. Fonville be revoked, and retured to the secretary of this body since he has not met conditions imposed at the time license were restored.

We highly commend Elon College for the splendid work it is doing and recommend it to this body, as worthy of our support and patronage. We urge upon our churches and people the necessity of raising for the college the apportionment asked of the conference.

Respectfully submitted,

W. S. LONG,
J. W. WELLONS,

Conference passed the following: That the sum of $12 be paid quarterly to Rev. J. W. Wellons out of the superannuated fund of this conference.

REPORT OF COMMITTEE ON MORAL REFORM.

We deplore the many immoral and corrupting practices of the day, such as the drink habit, social card table, the ball room, match games of base-ball, and foot-ball. These all work in opposition to the church. When we tax our people to build churches, school houses and to educate intellectually, morally, and religously, and at the same time allow or encourage the above named evils, we are inconsistent.

We urge our people to condemn social card parties, match games o foot-ball and base-ball, church fairs, etc. We condemn the liquor trafic—sale and drink, the cigarette habit and would discourage the use of tobacco. We condemn the dealing in cotton and other futures. We protest against corrupt methods in business and politics by which one defrauds and deceives another We urge all to l ve within their income and not make debts beyond their ability to pay. We urge the Christian observance of the Sabbath.
